SUBJECT: BLUE LANTERN LEVEL 3: PRE-LICENSE END-USE CHECK
ON APPLICATION 050197825

REF: 2006 BLUE LANTERN GUIDEBOOK

11. This is an Action Request. See paragraphs 2-4.

12. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Post's assistance in conducting a pre-license check on application 050197825 for the export of a United States Munitions List (USML)-controlled UHF Receiver Transmitter to Malaysia. Post is requested to complete this Blue Lantern inquiry within 30 days. Lack of response to a Blue Lantern inquiry will affect pending and future licenses involving parties to this license.

13. Reason for request: To substantiate the bona fides of all parties involved in the proposed transaction.

14. Action: Department requests that Post make inquiries within the Government of Malaysia to confirm the bona fides of Zetro Services SDN BHD in the proposed transaction. If possible, conduct a site visit to assess the company's reliability as a recipient of USML items as well as its operations and on-site security. Emphasize that the unauthorized re-export or retransfer of USML items is strictly prohibited. Confirm with the end-user that it placed the order for the item listed below for the purpose stated on the application. Determine whether any other Malaysian-based firms are involved in the procurement of the items.

The following questions are provided for guidance:

- Please confirm an order for the item listed on license 1050197825.
- Does Zetro Services understand the restrictions against the unauthorized re-export or retransfer of U.S.-origin defense articles?
- Does Zetro Services serve as a broker of USML articles with any countries besides Malaysia? If so, where? If your company has offices abroad, where are they located? Has this company ever used any other names?
- How long has your company been in the business of importing and selling defense articles?
- What other products are sold by this company?
- How long has Zetro Services been involved in business operations with the Royal Malaysian Air Force (RMAF); do you have a regular business relationship with RMAF?

End Action Request.
